

## Ashland to Milwaukee War Memorial June 9-11, 2017

Commander Dan Seehafer is promoting a 3 day motorcycle ride for the American Legion Riders Association of Wisconsin, June 9-11, 2017, to raise funds for The American Legion Legacy Scholarship Fund. Commander Seehafer's fundraising goal is expressed as "Open Wide Your Hearts". The 2017 run will depart Ashland Post 90 and arrive at the Milwaukee War Memorial.

Since 9/11, the men and women of our military have sacrificed to defend the principles on which our country was founded. Many times – the forgotten heroes are the families – especially the children. These children have become innocent casualties of war. The American Legion Legacy Scholarship Fund has stepped up to ease the burden to fund their education. They served. We owe it to those that are left behind after their parent paid the ultimate price for our country's freedom and rights.

American Legion Legacy Scholarship Fund was implemented to bridge the gap between conventional funding resources, personal input and scholarship benefits.

Commander Dan is seeking your support for Rev's Run 2017 to continue Wisconsin's efforts to provide for the children of fallen warriors across the country.

Please consider a donation on behalf of over 11,000 children.
